So we're hoping that Sunland Park has had a Kentucky Derby winner and a Belmont winner, and this horse is probably has the best shot since Conquest Mo Money in the Preakness, so THE CHAIRWOMAN: I have a question for you Mr. Dix. I know Sunland wanted to run through the Kentucky Derby or you up to the Kentucky Derby day. And you finally got it, and now in your proposal it's not included. And I've been asked this question: Why are they not doing it anymore, because this is what their ask was? MR. DIX: We Madam Chair, Members of the Commission, for the betterment all the tracks, we met as a group, and we tried to minimize overlap. So part of that was us moving back to our middle of April end date to give Sunray a spot to run. So there was some give and take when all the tracks met with our race date proposal. We were very happy with Kentucky Derby day running live. It was the first time personally I've ran live during Kentucky Derby day since I
