Action Type: Initial Ruling

Ruling:

Trainer Joaquin Lopez, having been duly notified, and appeared telephonically before the Board of Stewards on February 9, 2016, regarding a confirmed positive test for Class IV drug "Phenylbutazone", which was found in sample NM 15295, after it was collected from the horse "Eagletefamous" which finished first in the third race, Saturday, November 14, 2015, at Zia Park.

(The original lab report indicated a finding of Phenylbutazone at 3.61 microgram/ml in blood/serum. Split sample rights, as provided in 15.2.6.10(D) NMAC were offered and waived).

Also, Mr. Lopez waived his right to a ten (10) day Written Notice of Hearing.

As such, the following applies:

15.2.6.9(D)(1-2-3) NMAC: Which states in pertinent part that "A finding by the Commission approved laboratory of a prohibited drug, chemical or other substance in a test specimen of a horse is prima facie evidence that the prohibited drug, chemical or other substance was administered to the horse and, in the case of a post-race test, was present in the horse's body while it was participating in a race (b) therapeutic medications in excess of established acceptable levels."

15.2.6.9 (E)(1) NMAC: Which states in pertinent part "The permitted quantitative test level of Phenylbutazone shall be administered in such dosage amount that the official test sample shall not exceed 2 micrograms per milliliter of plasma."

15.2.6.11(A) NMAC and 16.47.1.10(B)(1) NMAC: Which states in pertinent part that "The Trainer is the absolute insurer of the condition of horses entered in an official workout or race, and is responsible for the presence of any prohibited drug or medication, or other prohibited substance in such horse. A positive test for a prohibited drug or medication or other prohibited substance or the presence of permitted medication in excess of maximum allowable levels as reported by the commission approved laboratory is prima facie evidence of a violation of this rule. The Trainer is absolutely responsible regardless of the acts of third party."

Omar Soto is the recorded owner of the horse "Eagletefamous," which was the subject of the ruling issued on this date.

For this violation, the Board of Stewards assessed Joaquin Lopez a penalty of:

1. A fine in the amount of Two Hundred Fifty Dollars (\$250) to be paid on or before March 20, 2016, in accordance with 15.2.3.8 (B)(3) NMAC. Failure to pay fine in prescribed time may result in immediate suspension.
2. The horse "Eagletefamous" must pass a Commission approved examination before becoming eligible to race.

This is a first positive test violation in the past 365-day period, and is issued in accordance with 15.2.6.9 (C)(3) NMAC.

15.2.1.9(b):

Which states in pertinent part that "An appeal under this section must be filed not later than 10 days after the date of the ruling. If the deadline falls on a Saturday, Sunday or legal holiday, the period is extended to include the next day that is not a Saturday, Sunday or legal holiday. The appeal must be received by noon, at the main commission offices or with the stewards who issued the ruling and must be accompanied by a fee in the amount of \$500. The fee must be in the form of cash, a cashier's check, money order or personal check."

Ruling:

Trainer Cirilo M. Sierra, having been duly notified, and appeared before the Board of Stewards on February, 20, 2016, regarding a confirmed positive test for the Class III drug "Clenbuterol," which was found in sample NM 10123, after it was collected from the horse "Mozilla" which finished first in the third race, Sunday, December 21, 2014, at Sunland Park Racetrack. Mr. Sierra waived his right to a ten-day written notice of hearing prior to this hearing.

(The original lab report indicated a finding of Clenbuterol in the urine at 391 pg/ml. Split sample rights, as provided in 15.2.6.10(D) NMAC, were afforded to Mr. Sierra and came back at 320 pg/ml from College Station Laboratory). Alberto Villanueva is the recorded Owner of the horse "Mozilla," which was the subject of related rulings issued this date, at Sunland Park, in which sanctions were made against the Trainer of Record.

Cirilo M. Sierra is found to be in violation of:

15.2.6.9(D)(1-2-3) NMAC: Which states in pertinent part that "A finding by the Commission approved laboratory of a prohibited drug, chemical or other substance in a test specimen of a horse is prima facie evidence that the prohibited drug, chemical or other substance was administered to the horse and, in the case of a post-race test, was present in the horse's body while it was participating in a race (b) therapeutic medications in excess of established acceptable levels."

15.2.6.9 (P) NMAC: Which states in pertinent part "Clenbuterol in a post race test that exceeds the screening limit of 140 pg/ml in urine will constitute a violation of NMSRC rules."

15.2.6.11(A) NMAC and 16.47.1.10(B)(1) NMAC: Which states in pertinent part that "The Trainer is the absolute insurer of the condition of horses entered in an official workout or race, and is responsible for the presence of any prohibited drug or medication, or other prohibited substance in such horse. A positive test for a prohibited drug or medication or other prohibited substance or the presence of permitted medication in excess of maximum allowable levels as reported by the commission approved laboratory is prima facie evidence of a violation of this rule. The Trainer is absolutely responsible regardless of the acts of third party."

15.2.6.9 (C) NMAC: Which states in pertinent part "Category B penalties will be assessed a licensed Owner for violations due to the presence of a drug carrying a Category B penalty: First offense within a 365 day period in any jurisdiction shall be disqualification, loss of purse, and the horse must pass a Commission-approved examination before becoming eligible to be entered."

For this violation, the Board of Stewards assessed Cirilo M. Sierra the following:

1. A fine in the amount of one thousand dollars (\$1,000.00) to be paid on or before March 21, 2016, in accordance with 15.2.3.8 (B)(3)(f) NMAC. Failure to pay the fine in designated time may result in immediate suspension.
2. A suspension of any/all NMSRC issued licenses for a period of 60 calendar days, with the suspension hereby waived by the Commission per Section 3, provided Mr. Sierra is compliant with the full terms of the Stipulated Settlement Agreement.
3. Loss of purse in the third race, Sunday, December 21, 2014, at Sunland Park. The new order of finish is: (1) Just Thoughts, (2) Takin Back, (3) Shut Up and Catch Me, (4) Trippys Royal Toast, (5) Weather Woman, (6) Alteza, (7) Dirty Little Hamster, (8) Deceptive Practice, (9) Rihanna, and Unplaced: Mozilla.
4. The horse Mozilla must pass a Commission approved examination before becoming eligible to race.
5. A probation period of 180 days starting Sunday, February 21, 2016, and ending Thursday, August 18, 2016.

(Per the terms of a signed Stipulated Settlement Agreement, this is considered a first offense positive test violation in the past 365 day period, and is issued in accordance with 15.2.6.9 (C)(2) NMAC. Any subsequent Class B violation within a 180 day period following this date will result in further penalty, as specified in Section 6. Action Type: Initial Ruling

Ruling:

Trainer, Cynthia Gonzalez having appeared before the Board of Stewards on February 15, 2016 for employing a person in a capacity for which he/she was not licensed.

Licensee was found to be in violation of Commission rules. Thus, for this rule violation, the Board of Stewards assessed licensee a penalty in the amount of one hundred dollars (\$100.00). The fine is to be paid on or before March 15, 2016 in accordance with 15.2.3.8(B)(3)(I) NMAC.

Failure to pay this fine within the time prescribed may result in immediate suspension.

Licensee is found to be in violation of the following rules:

16.47.1.10 (C) (4) providing a list to the chief of security of the trainer's employees on association grounds and any other area under the jurisdiction of the commission; the list shall include each employee's name, occupation, social security number, and occupational license number; the chief of security shall be notified by the trainer, in writing, within 24 hours of any change;

16.47.1.8(L)(1)(h) NMAC:

Which states that "The Commission may refuse to issue a license to an applicant, or may suspend or revoke a license issued or order disciplinary measures, if the applicant is a person whose conduct or reputation may reflect on the honesty and integrity of horse racing or interfere with the orderly conduct of a race meet. Interfering with the orderly conduct of the race meet shall include, but not limit to, disruptive or intemperate behavior or behavior which exposes otherS to danger anywhere on the racetrack grounds. The fact that the race meet was not actually interrupted is not a defense to the imposition of discipline under this rule."

15.2.1.9(b):

Which states that "An appeal under this section must be filed not later than 10 days after the date of the ruling. If the deadline falls on a Saturday, Sunday or legal holiday, the period is extended to include the next day that is not a Saturday, Sunday or legal holiday. The appeal must be received by noon, at the main commission offices or with the stewards who issued the ruling and must be accompanied by a fee in the amount of \$500. The fee must be in the form of cash, a cashier's check, money order or personal check."

Action Type: Initial Ruling

Ruling:

Trainer/Owner, Eduardo Cruz having been duly notified for a scheduled hearing and waived his notice of hearing in writing and had the hearing telephonically before the Board of Stewards on this date, February 18, 2016, regarding a lab report from UC/Davis (official testing laboratory for the NMSRC) for a confirmed overage of allowable limits for the Class IV drug "Phenylbutazone" which was found in sample NM17646, after it was collected from the horse, "JD'S Vow" which participated in the 5th race, on December 6, 2016 at Sunland Park.

(The original lab report indicated a finding of Phenylbutazone at 3.18 ug/ml in blood/serum. Split sampling rights, as provided in 15.2.6.10 (D) NMAC were offered but waived by Eduardo Cruz).

Eduardo Cruz is found to be in violation of:

15.2.6.9(D)(1-2-3) NMAC: Which states that "A finding by the Commission approved laboratory of a prohibited drug, chemical or other substance in a test specimen of a horse is prima facie evidence that the prohibited drug, chemical or other substance was administered to the horse and, in the case of a post-race test, was present in the horse's body while it was participating in a race (b) therapeutic medications in excess of established acceptable levels".

15.2.6.9 (E)(1) NMAC: Which states "The permitted quantitative test level of Phenylbutazone shall be administered in such dosage amount that the official test sample shall not exceed 2 micrograms per milliliter of plasma".

15.2.6.11(A) NMAC and 16.47.1.10(B)(1) NMAC: Which states that "The Trainer is the absolute insurer of the condition of horses entered in an official workout or race, and is responsible for the presence of any prohibited drug or medication, or other prohibited substance in such horse. A positive test for a prohibited drug or medication or other prohibited substance or the presence of permitted medication in excess of maximum allowable levels as reported by the commission approved laboratory is prima facie evidence of a violation of this rule. The Trainer is absolutely responsible regardless of the acts of third party."

For this violation, the Board of Stewards assessed Curt Ferguson a penalty as follows;

1. A fine in the amount of Two Hundred Fifty Dollars (\$250.00);
2. Horse must pass a commission approved examination before becoming eligible to enter.

This is a first positive test violation in the past 365 day period, and is issued in accordance with 15.2.6.9 (C) (3) NMAC. The fine is to be paid on or before March 19, 2016 in accordance with 15.2.3.8(B) (3) NMAC. (Failure to pay fine in prescribed time may result in immediate suspension).

Ruling:

Owner/Trainer, Elliot Bachicha, having been duly notified, and having appeared by telephone before the Board of Stewards February 26, 2016 regarding a lab report from UC/Davis (official testing laboratory for the NMSRC), for a confirmed positive test for the Class IV Category C drug "Isopredone", which was taken from horse "Shesalasting Runner" (sample NM15240) who finished second place in the 3rd race on September 16, 2015 at The Downs Of Albuquerque. (The original lab report indicated a finding of Isopredone at a level of 180 pg/ml. The allowable limit is 100 pg/ml. Split sampling rights, as provided in 15.2.6.10 (D) NMAC were afforded to, and accepted by, Elliot Bachicha. The split was confirmed positive by Texas A&M with a finding of 190 \pm 7 pg/ml).

Elliot Bachicha is also the owner of record for Shesalasting Runner and has been found in violation of:
15.2.6.9(D)(1-2-3) NMAC: Which states in pertinent part that "A finding by the Commission approved laboratory of a prohibited drug, chemical or other substance in a test specimen of a horse is prima facie evidence that the prohibited drug, chemical or other substance was administered to the horse and, in the case of a post-race test, was present in the horse's body while it was participating in a race (b) therapeutic medications in excess of established acceptable levels".

15.2.6.9 (P) NMAC: Which states in pertinent part the suspension of authorized medications, as outlined in sections 1-2-3-4, Revised April 17, 2014. The level for Methylprednisolone is 100 picograms per milliliter of plasma or serum.

15.2.6.11(A) NMAC and 16.47.1.10(B)(1) NMAC: Which states in pertinent part that "The Trainer is the absolute insurer of the condition of horses entered in an official workout or race, and is responsible for the presence of any prohibited drug or medication, or other prohibited substance in such horse. A positive test for a prohibited drug or medication or other prohibited substance or the presence of permitted medication in excess of maximum allowable levels as reported by the commission approved laboratory is prima facie evidence of a violation of this rule. The Trainer is absolutely responsible regardless of the acts of third party."

15.2.6.9 C. PENALTY RECOMMENDATIONS:

(3) Category C penalties will be assessed for violations due to the presence of a drug carrying a category C penalty and overages for NSAID's and furosemide (all concentrations are for measurements in serum or plasma). Recommended penalties for category C violations, overages for permitted NSAID's and furosemide are as follows

Second offense (Trainer) in a Class C category (365-day period) in any jurisdiction in the following levels, the penalty is a minimum fine of \$1,500 and 15 day suspension.

Second Lifetime offense (365-day period) in any jurisdiction: disqualification, loss of purse and horse must pass a commission approved examination before becoming eligible to be entered.

For this second violation in a 365 day period, the Board of Stewards assessed:

(1) After consulting with the chief medical director, the Board of Stewards waived the 15 day suspension due to mitigating circumstances, a slight overage.

(2) A fine in the amount of one-thousand dollars (\$1,000.00.);

(3) Disqualification and loss of purse of the 3rd race on September 16, 2015 at The Downs Of Albuquerque. Order of finish is as follows:

Trainer Roy Marcom, having been duly notified and having appeared before the Board of Stewards on February 27th, 2016 regarding a lab report from UC/Davis (official testing laboratory for the NMSRC), for a confirmed positive test for the Class 4C drug "Methylprenisolone", which was found in sample #NM17705, after it was collected from the horse "Calvert" which finished 2nd in the seventh(7th) race, December 08, 2016 at Zia Park;

(The original lab report indicated a finding of Methylprednisolone at 979 picograms per milliliter. This exceeds the allowable limits of 100 picograms per milliliter. Split sampling rights, as provided in 15.2.6.10 (D) NMAC was conducted by LGC Science which confirmed a finding of Methylprednisolone with a concentration of 1121±(-4) picograms per milliliter.)

Beverly Marcom is the owner of record for horse "Calvert" which was the subject of a Methylprednisolone positive. Trainer Roy Marcom is found to be in violation of:

15.2.6.9 NMAC:

Class 4 - This category is comprised primarily of therapeutic medications routinely used in race horses. These may influence performance, but generally have a more limited ability to do so. Groups of drugs assigned to this category include the following.

D. MEDICATION RESTRICTIONS:

(1) A finding by the commission approved laboratory of a prohibited drug, chemical or other substance in a test specimen of a horse is prima facie evidence that the prohibited drug, chemical or other substance was administered to the horse and, in the case of a post-race test, was present in the horse's body while it was participating in a race. Prohibited substances include: drugs or medications for which no acceptable levels have been established; therapeutic medications in excess of established acceptable levels; substances present in the horse in excess of levels at which such substances could occur naturally; substances foreign to a horse at levels that cause interference with testing procedures.

(2) Drugs or medications in horses are permissible, provided: the drug or medication is listed by The Association of Racing Commissioners International's drug testing standards and practices program; the maximum permissible urine or blood concentration of the drug or medication does not exceed the published limit.

(3) Except as otherwise provided by this part, a person may not administer or cause to be administered by any means to a horse a prohibited drug, medication, chemical or other substance, including any restricted medication pursuant to this part during the 24-hour period before post time for the race in which the horse is entered

Penalty Recommendations:

Ruling # 2016-SUN-124

Action Type: Initial Ruling

Ruling:

Trainer Jesus Marquez, having been duly notified, and having appeared before the Board of Stewards telephonically on this date, regarding a lab report from UC/Davis (official testing laboratory for the NMSRC), for a confirmed positive test for the Class III drug "Clenbuterol", which was found in sample NM13049, after it was collected from the horse "Jumpn Gun" which finished second in the 2nd race, May 31, 2015 at The Downs at Albuquerque. (The original lab report indicated a finding of Clenbuterol at 789 pg/ml). Split sampling rights, as provided in 15.2.6.10 (D) NMAC were afforded to, but denied, by Jesus Marquez. Mr. J. Marquez was representing his owner Manuel Rivera as well. Trainer Jesus Marquez is found to be in violation of: 15.2.6.9(D) (1-2-3) NMAC: Which states in that "A finding by the Commission approved laboratory of a prohibited drug, chemical or other substance in a test specimen of a horse is prima facie evidence that the prohibited drug, chemical or other substance was administered to the horse and, in the case of a post-race test, was present in the horse's body while it was participating in a race (b) therapeutic medications in excess of established acceptable levels".

15.2.6.9 (P) NMAC: Which states the suspension of authorized medications, as outlined in sections 1-2-3-4, which led to a published, posted, and distributed memo effective August 20, 2015 in which states in part "Clenbuterol is prohibited. A subsequent published, posted, and distributed memo dated August 20, 2015, stated the criteria for Clenbuterol remained in effect".

15.2.6.11(A) NMAC and 16.47.1.10(B)(1) NMAC: Which states that "The Trainer is the absolute insurer of the condition of horses entered in an official workout or race, and is responsible for the presence of any prohibited drug or medication, or other prohibited substance in such horse. A positive test for a prohibited drug or medication or other prohibited substance or the presence of permitted medication in excess of maximum allowable levels as reported by the commission approved laboratory is prima facie evidence of a violation of this rule. The Trainer is absolutely responsible regardless of the acts of third party."

For this violation, the Board of Stewards assessed Jesus Marquez a penalty as follows:

(1) A suspension of any/all NMSRC issued licenses for a period of sixty (60) days starting on March 16, 2016 ending on September 11th, 2016.

(2) A fine in the amount of twenty-five hundred dollars (\$2500.00.);

(3) Loss of purse and the horse must pass a commission approved examine before becoming eligible to enter a race. Ruling # 2016-SUN-126

Action Type: Initial Ruling

Ruling:

Trainer Mario Montoya, having been duly notified, and appeared telephonically before the Board of Stewards on February 28, 2016, regarding a confirmed a lab report from UC/Davis (official testing laboratory for the NMSRC) for a confirmed overage of allowable limits for the Class IV drug "Dexamethasone" which was found in sample NM15236, after it was collected from the horse "Fly Foose Fly," which participated in the first race on September 16, 2015, at the New Mexico State Fair. Fly Foose Fly finished in a dead heat for second in that race.

(The original lab report indicated a finding of Dexamethasone at a level of 125 pg/ml. which exceeds the authorized medication limit of 5.0 picograms per milliliter. Split sample rights, as provided in 15.2.6.10(D) NMAC were offered but waived by Mario Montoya.

Marilyn and Michael Miera are the recorded Owners of the horse "Fly Foose Fly" which was the subject of related rulings issued this date at Sunland Park, in which sanctions were made against the Trainer of record.

Mario Montoya is found to be in violation of:

15.2.6.9(D)(1-2-3)NMAC: Which states that "A finding by the Commission approved laboratory of a prohibited drug, chemical or other substance in a test specimen of a horse is prima facie evidence that the prohibited drug, chemical or other substance was administered to the horse and, in case of a post-race test, was present in the horse's body while it was participating in a race (b) therapeutic medication in excess of established acceptable levels."

15.2.6.9(E)(1) NMAC: Which states "The permitted quantitative level of Dexamethasone shall be administered in such dosage amount that the official test sample shall not exceed 5 picograms per milliliter.

15.2.6.11(A) NMAC and 16.47.1.10(B)(1) NMAC: Which states that "The trainer is the absolute insurer of the condition of horses entered in an official workout or race, and is responsible for the presence of any prohibited drug or medication, or other prohibited substance in such horse. A positive test for a prohibited drug or medication or other prohibited substance or the presence of permitted medication in excess of maximum allowable levels as reported by the commission approved laboratory is prima facie evidence of a violation of this rule. The Trainer is absolutely responsible regardless of the acts of third party."

For this violation, the Board of Stewards assessed Mario Montoya a penalty of:

1. A fine if the amount of \$500 to be paid on or before April 5, 2016, in accordance with 15.2.3.8 (B)(3)(8) NMAC. The fine must be paid before re-instatement of trainer's license.
2. A probation of 180 days beginning March 6, 2016, through September 1, 2016, inclusive.
3. The horse 'Fly Foose Fly' must pass a Commission approved examination before becoming eligible to enter.

(Per the terms of a signed Stipulated Settlement Agreement, this is considered a first offense positive test violation in the past 365 day period, and is issued in accordance with 15.2.6.9 (C)(3) NMAC. Per the written terms of the signed Stipulated Settlement Agreement as specified in section 2, Mario Montoya, furthermore knowingly, intentionally, and voluntarily waives any/all appeal rights, including any judicial appeal regarding this matter).

Ruling:

Trainer Antonio Baca Hernandez, having been duly notified, and having appeared before the Board of Stewards on this date, regarding a lab report from UC/Davis (official testing laboratory for the NMSRC), for a confirmed positive test for the Class III drug "Clenbuterol", which was found in sample NM10126, after it was collected from the horse "Cowboy Wave" which finished third in the 4th race, December 21, 2014 at Sunland Park. (The original lab report indicated a finding of Clenbuterol at 298 pg/ml). Split sampling rights, as provided in 15.2.6.10 (D) NMAC were afforded to, but denied, by Antonio B. Hernandez. Trainer Antonio B. Hernandez who also represented his owner, Eusebio Sanchez during this hearing is found to be in violation of:

15.2.6.9(D) (1-2-3) NMAC: Which states in that "A finding by the Commission approved laboratory of a prohibited drug, chemical or other substance in a test specimen of a horse is prima facie evidence that the prohibited drug, chemical or other substance was administered to the horse and, in the case of a post-race test, was present in the horse's body while it was participating in a race (b) therapeutic medications in excess of established acceptable levels".

15.2.6.9 (P) NMAC: Which states the suspension of authorized medications, as outlined in sections 1-2-3-4, which led to a published, posted, and distributed memo effective August 20, 2015 in which states in part "Clenbuterol is prohibited. A subsequent published, posted, and distributed memo dated August 20, 2015, stated the criteria for Clenbuterol remained in effect".

15.2.6.11(A) NMAC and 16.47.1.10(B)(1) NMAC: Which states that "The Trainer is the absolute insurer of the condition of horses entered in an official workout or race, and is responsible for the presence of any prohibited drug or medication, or other prohibited substance in such horse. A positive test for a prohibited drug or medication or other prohibited substance or the presence of permitted medication in excess of maximum allowable levels as reported by the commission approved laboratory is prima facie evidence of a violation of this rule. The Trainer is absolutely responsible regardless of the acts of third party."

For this violation, the Board of Stewards assessed Antonio B. Hernandez a penalty as follows:

(1) Antonio B. Hernandez is placed on probation for a period of one hundred eighty(180) days starting starting on March 6th thru August 27th, 2016.

(2) A fine in the amount of on thousand dollars (\$1000.00.); which must be paid within a thirty (30) period or may be subject to suspension.

(3) Loss of purse and the horse must pass a commission approved examine before becoming eligible to enter a race. The new order of finish is (1) Trip to the Jungle (2) Country Spencerman (3) King Kamahamaha (4) Jet Black Legend (5) Wagon Cash (6) Big Sluggo (7) Lord Valiant (8) Chicks Royal Dude (9) Bullit in a Gun, UNPLACED- Cowboy Wave.

This is a first offense positive test violation in the past 365 day period, and is issued in accordance with 15.2.6.9 (C) (2) (b) NMAC. The fine is to be paid on or before any reinstatement date, in accordance with 15.2.3.8(B) (3) (I) NMAC.

(Per the terms of a signed Stipulated Settlement Agreement, this is considered a first offense positive test violation in the past 365 day period, and is issued in accordance with 15.2.6.9 (C)(2) NMAC. Any subsequent Class B violation within a 180 day period following this date will result in further penalty, as specified in Section 6. Per the written terms of the signed Stipulated Settlement Agreement as specified in section 2, Antonio B Hernandez, furthermore knowingly, intentionally, and voluntarily waives any/all appeal rights, including any judicial appeal regarding this matter).

Action Type: Initial Ruling

Ruling:

Trainer Anthony P. Lello, having been duly notified, and appeared telephonically before the Board of Stewards on March 1, 2016, regarding a confirmed a lab report from UC/Davis (official testing laboratory for the NMSRC) for a confirmed overage of allowable limits for the Class IV drugs "Phenylbutazone" and "Flunixin" which combined is considered a Class II Stacking Violation found in sample NM18111, after it was collected from the horse "Three Run Jack" which finished third in the sixth race on December 19, 2015, at Sunland Park.

(The original lab report indicated a finding in the blood of Phenylbutazone at 2.18 microgram per milliliter and Flunixin at 26.7 nanograms per milliliter. Split sample rights, as provided in 15.2.6.1.10(D) NMAC were sent to Industrial Laboratories and came back with a finding at 1.9 mcg/ml for Phenylbutazone and 23 ng/ml for Flunixin). Gary Rudolph is the recorded Owner of the horse "Three Run Jack" which is the subject of related rulings issued this date at Sunland Park, in which sanctions were made against the Trainer of Record.

Anthony P. Lello is found to be in violation of:

15.2.6.9(D)(1-2-3)NMAC: Which states that "A finding by the Commission approved laboratory of a prohibited drug, chemical or other substance in a test specimen of a horse is prima facie evidence that the prohibited drug, chemical or other substance was administered to the horse and, in case of a post-race test, was present in the horse's body while it was participating in a race (b) therapeutic medication in excess of established acceptable levels."

15.2.6.9(P)(5)(c) Which states in pertinent part that "A class 2 NSAID stacking violation with a penalty class C occurs when any one substance if found in excess of the restrictions contained therein in combination with one of the following substances at levels below the restrictions so noted but in excess of the following levels:

Phenylbutazone at 0.3 mcg/ml, and 15.2.6.9(P)(3)(c) Flunixin in excess of 20 NG/ml.

15.2.6.11(A) NMAC and 16.47.1.10(B)(I) NMAC: Which states that "The trainer is the absolute insurer of the condition of horses entered in an official workout or race, and is responsible for the presence of any prohibited drug or medication, or other prohibited substance in such horse. A positive test for a prohibited drug or medication or other prohibited substance or the presence of permitted medication in excess of maximum allowable levels as reported by the commission approved laboratory is prima facie evidence of a violation of this rule. The Trainer is absolutely responsible regardless of the acts of third party."

For this violation, the Board of Stewards assessed Anthony P. Lello a penalty of:

1. A fine if the amount of \$1,000 to be paid on or before April 17, 2016, in accordance with 15.2.3.8 (B)(3)(8) NMAC. Failure to pay the fine by the established deadline may result in immediate suspension.
2. The horse "Three Run Jack" must pass a Commission approved examination before becoming eligible to enter.

15.2.1.9(b):

Which states in pertinent part that "An appeal under this section must be filed not later than 10 days after the date of the ruling. Action Type: Initial Ruling

Ruling:

Trainer, Arturo Chavez having been duly notified, and having appeared before the Board of Stewards on February 28, 2016, regarding a lab report from UC/Davis (official testing laboratory for the NMSRC) for a confirmed positive test for the steroid "Boldenone" which was found in sample NM17004, after it was collected from the horse, "Chief Coronas Charm" which participated in the second(2nd) race, September 27, 2015 at Zia Park Race Track. Arturo Chavez explained that he was representing both his owners of this horse, Castulo M. Morales and Jorge A. Ruiz since neither could be present at this time.

(The original lab report indicated the concentration of Boldenone was 85 nanogram/ml in the urine. Split sampling rights, as provided in 15.2.6.10 (D) NMAC were afforded, and said split sampling by TVMDL(Texas A&M) lab confirmed 58 ng/ml in the urine).

Arturo Chavez is found to be in violation of:

15.2.6.9(D)(1-2-3) NMAC: Which states that "A finding by the Commission approved laboratory of a prohibited drug, chemical or other substance in a test specimen of a horse is prima facie evidence that the prohibited drug, chemical or other substance was administered to the horse and, in the case of a post-race test, was present in the horse's body while it was participating in a race.

15.2.6.9 (H)(1) NMAC: Which states no AAS shall be permitted in test sample collected from horses except for residues of the major metabolite of nandrolone, and the naturally occurring substances Boldenone and testosterone at concentration less than indicated thresholds .(2) Concentrations shall not exceed the following urine threshold concentration for total(i.e., free drug metabolite and drug or metabolite liberated from conjugates): (a) Boldenone (Equipose is undercylenate ester of Boldenone) in male horses other than geldings- 15ng/ml; no Boldenone shall be permitted in geldings or female horses.

15.2.6.11(A) NMAC and 16.47.1.10(B)(1) NMAC: Which states that "The Trainer is the absolute insurer of the condition of horses entered in an official workout or race, and is responsible for the presence of any prohibited drug or medication, or other prohibited substance in such horse. A positive test for a prohibited drug or medication or other prohibited substance or the presence of permitted medication in excess of maximum allowable levels as reported by the commission approved laboratory is prima facie evidence of a violation of this rule. The Trainer is absolutely responsible regardless of the acts of third party."

For this violation, the Board of Stewards assessed Arturo Chavez a penalty as follows;

- (1) A suspension of any/all NMSRC issued licenses for a period of 15 days, (March 9, through March 25, 2016, inclusive);
- (2) A fine in the amount of five hundred dollars \$500.00;
- (3) Loss of purse of the second (2nd) race, September 27, 2015 at the Zia Park Race Track.
- (4) The horse "Chief Coronas Charm" must pass a commission approved examination before re-entry.

This is a first positive test violation in the past 365 day period, and is issued in accordance with 15.2.6.9 (C)(3)(a) NMAC. The fine is to be paid on or before any reinstatement date, in accordance with 15.2.3.8(B)(3)(f) NMAC.

During said time of applicable suspension, Arturo Chavez is hereby excluded from all areas under the jurisdiction of the NMSRC, in accordance with 15.2.1.9(C)(21)(a-b) NMAC, and 15.2.3.8 (B)(3)(f) NMAC;

Additionally, effective upon applicable suspension dates, all horses owned or trained, or under the care of Arturo Chavez are ineligible to be entered or start in any race in this jurisdiction, per 15.2.1.9 (C)(21)(c) NMAC;
